Education

Though my formal education isn't in graphic design, it sparked my creative path. I've since completed courses in logo design, brand guidelines, poster design, and mastered tools like Illustrator and Photoshop, building high-level design skills.

2013

Secondary School Certificate

Poura Shahid Smrity Academy

Completed my SSC from Poura Shahid Smrity Academy in 2013—where my passion for creativity first took shape.

2016

Higher Secondary Certificate

Dalal Bazar Degree College

Successfully completed HSC with a strong academic foundation and creative mindset.

2020

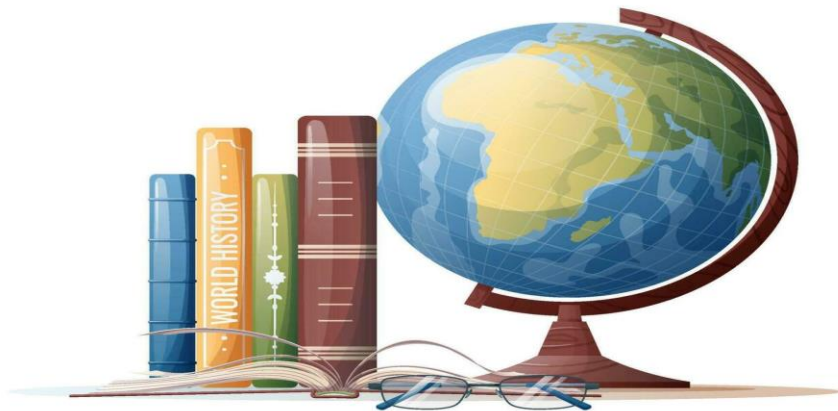

Bachelor of Arts

National University

I finished my graduation from National University in 2020, building a strong creative foundation.

Language

I'm a native Bengali speaker and fluent in English, Hindi, and Urdu, which helps me connect with diverse audiences. I also have conversational skills in Arabic, allowing me to communicate in professional and creative settings across cultures.

Experience

As a branding expert and graphic designer, I've worked with global companies on platforms like Upwork, Freelancer, and Fiverr. I specialize in branding, logo design, packaging, and social media poster design. One standout project is my ongoing work with TAM Trading, creating impactful designs for their branding and packaging.

● **RAKIB ARTS**

2016 - 2017

A printing press company, where I help create print-ready designs and collaborate on various branding projects.

● **AL-AMIN PACKAGING IND.**

2017 - 2019

I create vibrant and creative packaging designs that capture the playful essence of the products while ensuring they stand out in the market.

● **RIASAT AND BROTHERS**

2019 - 2022

A highly reputable contractor company, I worked as a computer operator, managing and processing government tenders online, ensuring accuracy and efficiency in high-stakes projects.

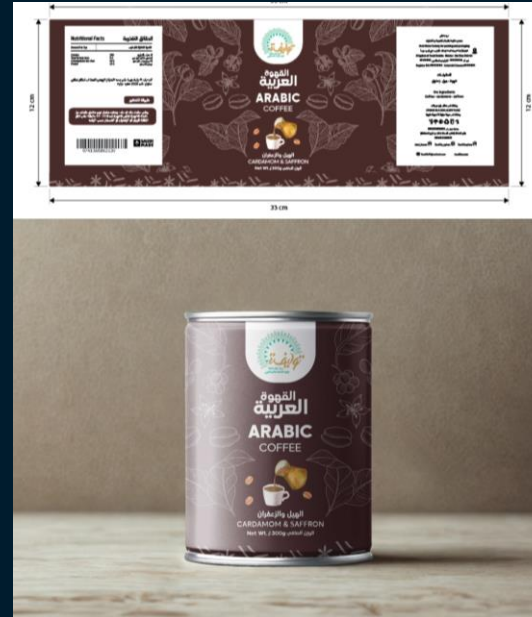

● **TAWLIFA SPICES**

2022 - 2026

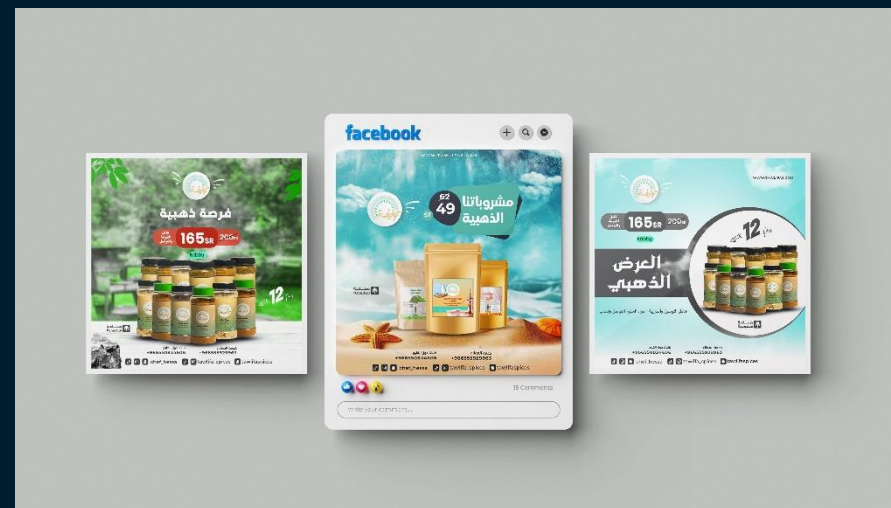

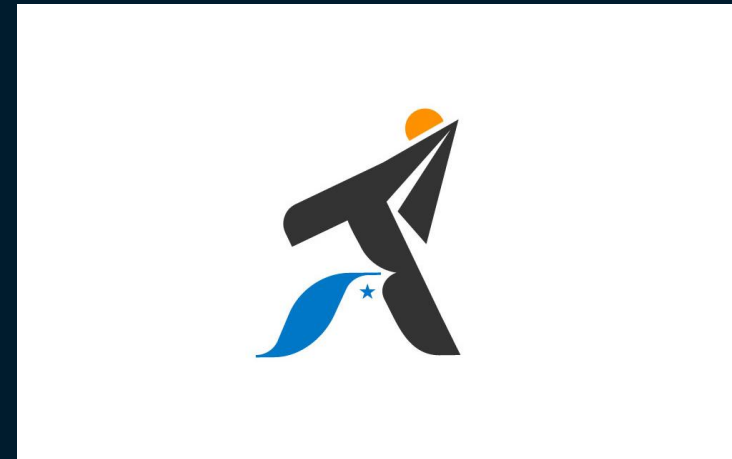

I manage the design of engaging social media posts, banners, and other creative assets for Tawlifa Spices. In addition, I support office operations by handling tasks such as Excel data management and document organization.
